How to Actually Survive (and Win) POSSIBLE 2026

- ✓ Don't spend all your time in meeting rooms. The hallways, poolside bar, and beach pavilion are where the real conversations happen.
- ✓ Leave time between sessions. The best conversations (and deals) happen in those 15-minute breaks between panels.
- ✓ Be intentional about follow-up. Have an outreach email ready. Sometimes "let's get coffee" really does turn into a deal.
